GENERAL CONDITIONS

Premium Payment

The annual premium of \$1,648.00 is due and payable on the policy effective date. Monthly payment plans are available through the broker. A returned cheque or NSF fee of \$35.00 may apply. Failure to pay the premium may result in cancellation of this policy with 10 days' notice in accordance with the Insurance Act (Alberta).

Cancellation

You may cancel this policy at any time by providing written notice to Prairies Shield Insurance Group or your broker. We may cancel this policy by providing written notice: 10 days for non-payment of premium; 30 days for any other reason, per Section 533 of the Insurance Act, RSA 2000, c. I-3. Return premiums will be calculated on a pro-rata basis for company-initiated cancellations and on a short-rate basis for policyholder-initiated cancellations.

Coinsurance / Underinsurance

If the insured value of the dwelling is less than 100% of full replacement cost at the time of loss, the amount payable shall be reduced proportionally. We recommend an annual review of dwelling limits with your broker or an independent appraisal every three years.

Subrogation

In the event we pay a claim under this policy, we shall be subrogated to all rights of recovery of the insured against any party responsible for the loss. You agree to assist and cooperate with us in any subrogation proceedings.

Duties After a Loss

In the event of a loss or damage, you must:

- Give prompt notice to us or your broker — contact our 24-hour claims line at 1-800-555-0199

- Protect the property from further damage (reasonable emergency expenses are covered)
- Prepare an inventory of damaged or destroyed property with receipts, photos, or other documentation
- Submit a Proof of Loss within 90 days of the loss unless we grant an extension in writing
- Cooperate fully with our investigation, including examination under oath if required

Dispute Resolution and Appraisal

If you and we fail to agree on the amount of loss, either party may demand an appraisal in writing. Each party selects a competent and impartial appraiser within 20 days. The two appraisers select an umpire; if they cannot agree, either may request a judge of the Court of King's Bench of Alberta to appoint one. The decision of any two shall be binding on the amount of loss only.

Applicable Law

This policy is governed by and construed in accordance with the laws of the Province of Alberta, including the Insurance Act, RSA 2000, c. I-3, and its regulations. All coverage terms conform to Alberta Superintendent of Insurance requirements. Any disputes shall be submitted to the courts of the Province of Alberta.
