SYNTHETIC OCR TEST DOCUMENT - NOT A REAL CLAIM

Site visit: 2026-04-12 09:15

Weather: clear, 8 C

Met Priya at property. Basement still has drying equipment running.

Water line visible at approx. 9 cm on drywall in family room.

Sump pit: pump powered but float jammed. Backup battery absent.

Photos 21-38: carpet removal, baseboard swelling, contents stacked in garage.

Coverage question: endorsement limit appears \$20k. Need confirm sewer language.

Action: request plumber cause report + mitigation moisture map.

Reserve recommendation Building \$14,500 / Contents \$2,000 / ALE \$0

Adjuster initials
